“Do you do your Genealogy or Family Tree”? It is the number one hobby in the world.

One of the best website is www.familysearch.org/eng which has free software that is for free. And about **80%** of the people from all over the world that uses it, and they are **NOT** members of the Church and just about every known Church around the world has downloaded a copy of PAF. (Personal Ancestral Family)

Have you ever heard of the Mormon Church (Nickname)?

The true name is: The Church of Jesus Christ of Latter-day Saints

It is not a fly by night place and that the software is virus free.

I meet an elderly man at grocery store awhile back, (which is true); his granddaughter had a school assignment to do the family tree. She came home and asked him for the family tree. But the grandfather did not have much information on the family and has lost touch with them for years. So he could not give her much, so when she went back to school and you know what pier pressure is with school kids. She came home crying and it broke his heart, He said that he had wished that I had came by years earlier with the information, now he is doing the family tree.

“Do you know much of the Mormon Church, nicknamed “Mormons”, or “The Church of Jesus Christ of Latter-day Saints”?”

Do you know that the Baptist’s, the Luther’s, the Episcopal’s, the Presbyterian’s, the Pentecostal's, and the Non Denominational, and many other churches, and etc, are but break-ways from the Catholic Church or one of the others, over the last 2000 years. And most of them belong to the World Council of Churches, which is funded and ran mainly by the Catholic Church.

All the Churches are saying that it is the “Last Days”, now and that Armageddon would be starting soon. (As taught by many Churches and as seen on TV)

The Lord said He would Restore His Church in the Last Days or Latter Days, long before Armageddon time.

Truth and Knowledge

The Lord would **Restore** His Church **Like It Was Anciently**, He will **NOT MODIFY IT**, and He would restore His Church again upon the earth again.

This means?

Melchizedek Priesthood:

Having a living Prophet

12 Apostles

Seventies

High Priests

Pastors or Bishops

Elders

Patriarchs

Evangelist or Missionaries

Aaronic Priesthood:

Deacons

Teachers

Priests

And having an Unpaid Ministries, Temple buildings, 12 Oxen's with 3 each facing the 4 main directions of the compass and a Baptism Font on top, with Baptisms for the Dead in the Temples and other Ordnances, Tithes, Fast Offerings, Send Missionaries out Two by Two, and many more things, as He did in the Bible, as a Church Organization? And these Churches of today; **Do NOT, Do Any Of These Things or know what they mean for Today.** (See at bottom for "Saints")

Jesus said He would Restore His Church, **NOT** modify His Church or make His Church different to satisfy or please man, on what man wants or the world wants.

The Lord would have had to Restore and Organize His Church at lease over a hundred years or more (1830) and have His Missionaries to go throughout the whole world two by two. This would take a great many years to do, to every nation, kindred, tongue, and people.

Truth and Knowledge

The Book of Revelations in the Bible is for our day, the latter days. In Revelations; chapter 14:6, it says, "And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth and to every nation, and kindred, and tongue, and people". The everlasting gospel is the Book of Mormon, for the Bible has always been here, the Book of Mormon is that gospel that John talks about.

Do you see other Churches sending there Missionaries out two and two, like the Lord said too? (Mark 6:7) (John 4:35; "... for they are white already to harvest") (Good people of the world in other Churches, if they would read and believe in the Book of Mormon, they would be harvested in the Lords restored Church)

With 12 Apostles in Jerusalem and 12 Apostles in America, I believe are the 24 Elders (Revelation 4:10) talks about. There are only two (2) places on this earth that talk about a Great White God that came down from Heaven, healed the sick, raised the dead, and did miracles.

Looking at the whole area of Europe, Asia, Indonesia, Russia, India, Africa, Australia, do they talk about a Great White God coming down from Heaven and healing the sick, and raising the dead, and doing miracles? (NO)

Jerusalem is one place where a God came down, then in Central and South America is the other place. (YES)

Have you ever heard of Cortez from Spain, and Montezuma the Chief of the Aztec Indians? When Cortez came to South and Central America with the Catholic Church and they destroyed the Indian Nations in the name of God. And that Cortez was no Saint either. Montezuma thought it was the Millennium and he thought that Cortez was the Jesus Christ that was foretold by their scriptures Jesus gave them, that He would bring peace for a thousand years, but Cortez was no Saint and took advantage of that prophecy. The Indians build Pyramids to that Great White God. Jesus Christ was called many different names throughout the America's like; Quetzalcoatl, Votan, Wixepechocha, Gucumatz, Viracocha, Hyustus, Sume, and Bochica, the Man of "Light God" for He was a real person that descended like a bird from Heaven and returned to Heaven, who taught many great things and part of the records are the Book of Mormon.

Truth and Knowledge

In John 10:16, says (Jesus Christ) “And other sheep I have, which are not of this fold: them also I must bring”, and what does He bring, His “Words.” and they would write down His Words and His Words is Scripture to them from Jesus Christ. Just like the Prophets and Apostles did in Jerusalem for the Bible. When Jesus Christ died on cross, afterwards He appeared to them in Jerusalem on many occasions. And, then He came here to Central and South America to teach the Prophets and call 12 Apostles here too and they wrote His Words down too, like onto the Bible, which is the Book of Mormon, they are the other Sheep. In Revelations 4:4, “And round about the throne were four and twenty (24) seats: and upon the seats I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of gold” and Revelations 4:10, “The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, ...”

Have you ever heard of the Smithsonian Institute and National Geographic's? Did you know that the Smithsonian and National Geographic's went to Central and South America and they found a large stone monolith which is about six feet tall and five feet wide and two feet thick with decorations and ancient Indian hieroglyphs written on it? Showing a large tree, a building in the upper right floating in the air, two boys on the right side facing the tree, water flowing down along the tree with an iron rod and on the other side of the tree is two boys facing away from the tree and facing two old people, which are the parents teaching them and the other two are in rebellion and with writing all over the stone telling a story, which is the same in the Book of Mormon done over a hundred and fifty years earlier. This great stone monolith is now in the Smithsonian Institute museum for everyone to see.

Do you remember in the Bible the story of Moses (Numbers 21:4-9), where many were bitten by snakes and the Lord told Moses to make a fiery snake and put it on a pole and Moses told the people to look at the snake and live and thoughts that did not look, died. All they had to do was just look, but many did not, and died. God can not make them look; we have free agency to choose. The same is today with the Book of Mormon, the Book of Mormon is another word of God for us in these Latter Days. Mormon was an Indian from Central and South America.

These people are the other Sheep Jesus Christ talked about and brought them His Words too and they wrote His Words down, which is the book of Mormon, today.

Truth and Knowledge

In Daniel 12:4, 9, he was told to Seal a book for the last days, and people will be going to and fro, and knowledge shall be increased. And, we have had horses and wagons for thousands of years like in a straight line and in the Last Days we are into Space, like the exponential curve going up, so where is that Sealed book? It is the “Book of Mormon”. Like the “Bible” is of the Jews as the “Book of Mormon” is the Bible of the people of Central and South America and they both are from God and both are to be studied. They are equal in God’s eyes. They are His Words. Like the Lord said, you give milk to a baby, later you give it meat. So is it with the scriptures, the Bible is the milk and the Book of Mormon is the meat. The Lord invites you to partake of it.

As with the people in Moses’ time, that were bitten by snakes (or serpents) and all they had to do was just look and live. The same is with us today, is to read the “Book of Mormon”. God is not going to force us to read it. Again, all the Churches are saying it is Armageddon time, so where is that “True Restored Church of Jesus Christ” and another Gospel or another Bible, today? We are the only Church that has all these things we have talked about and more in what Jesus had in His Church. This I testify to you to be true and I say it in the Name of Jesus Christ, Amen.

The two young missionaries which the Lord has sent out into the world, which holds the special power to help you to know more about the Church, I would like to share this “Book of Mormon” with you and your family and friends.

If the Lord had restored his Church in these Last Days, wouldn’t you want to check it out and see if it is True, too?

You need to read the “Book of Mormon” and ask God the Father if it is true, in the name of Jesus Christ, Amen.
