

God's Ruler and Standard

Numbers 2:3 And on the east side toward the rising of the sun shall they of the standard of the camp of Judah pitch throughout their armies: . . .

Numbers 2:9 All that were numbered in the camp of Judah were an hundred thousand and fourscore thousand and six thousand and four hundred, throughout their armies. These shall first set forth.

(Can you figure out what Moses is talking about [above verses], the scriptures are like Onions, it is in layers.)

(Moses knew many great and scientific knowledge of things.)

Matthew 13:3 And he spake many things unto them in parables,...

Matthew 13:10 And the disciples came, and said unto him, Why speakest thou unto them in parables?

Matthew 13:11 He answered and said unto them, Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

Matthew 13:12 For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath.

Matthew 13:13 Therefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand.

Matthew 13:14 And in them is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive:

Matthew 13:15 For this people's heart is waxed gross, and their ears are dull of hearing, and their eyes they have closed; lest at any time they should see with their eyes and hear with their ears, and should understand with their heart, and should be converted, and I should heal them.

Matthew 13:16 But blessed are your eyes, for they see: and your ears, for they hear.

Matthew 13:17 For verily I say unto you, That many prophets and righteous men have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them.

God's Ruler and Standard

Numbers 2:3 And on the east side toward the rising of the sun shall they of the standard of the camp of Judah pitch throughout their armies: . . .

(On the east side toward the rising of the sun; when one looks at the sun rising up in the morning, the moment the light travels from the sun to us) (The sun light beam shall they of the standard; the sun light beam shall be a standard)

Numbers 2:9 All that were numbered in the camp of Judah were an hundred thousand and fourscore thousand and six thousand and four hundred, throughout their armies. These shall first set forth.

(All that were numbered in the camp of Judah were an hundred thousand and fourscore thousand and six thousand and four hundred; $100,000 + [\text{score is } 20] \ 80,000 + 6,000 + 400 = 186,400 = 186,400 \text{ mps}$ which is the speed of light) (These shall first set forth; the standard of the speed of light is like God's ruler. God's house is a house of order. God set this Standard First to create all worlds and all things in it, the whole universe. All measurements are subsets of the Speed of Light Ruler. Like, sound wave, micro wave, radio wave, yes, even our royal inch we use as a ruler. The light beam is unchangeable and steady.)

The design represents the Celestial Kingdom, which the Lord compared to the glory of the sun in a revelation (see 1 Corinthians 15:40-41).

These are they whose bodies are celestial, whose glory is that of the sun, even the glory of God, the highest of all, whose glory the sun of the firmament is written of as being typical.

1 Corinthians 15:40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another.

1 Corinthians 15:41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory.

Gamma rays travel at a different frequency than radio waves. If that is so, then; from one end of the visible light to the other end of visible light are different.

Visible light is at 186,272 mps to **186,400** mps to 186,528 mps for the full spectrum. The average is 186,400 mps. Many round it off to 186,000 mps. This means there is a difference in speed.

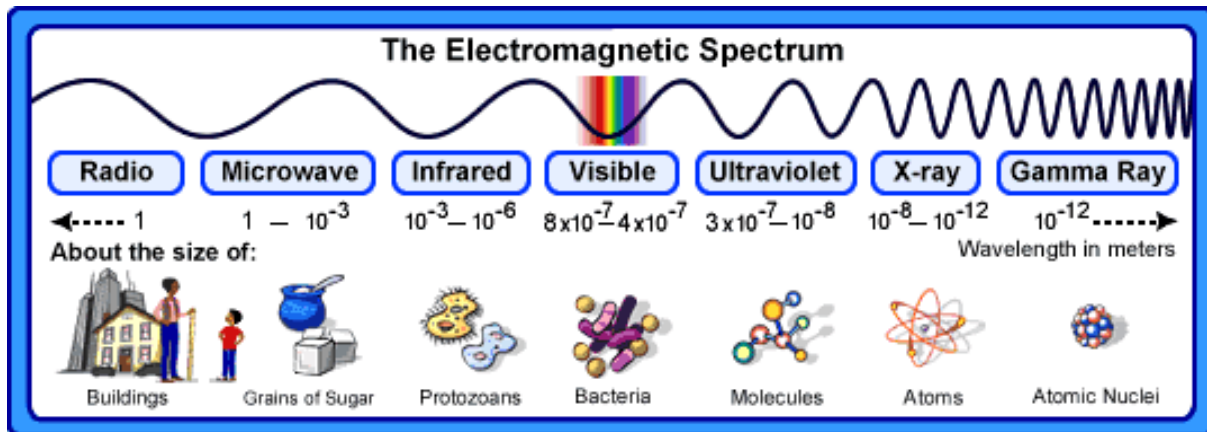

God's First Standard is between 186,272 and 186,528, which are different speeds.

God's First Standard is **186,400** Visible Light.

I believe that gravitational waves and/or lines travel faster than the speed of light.

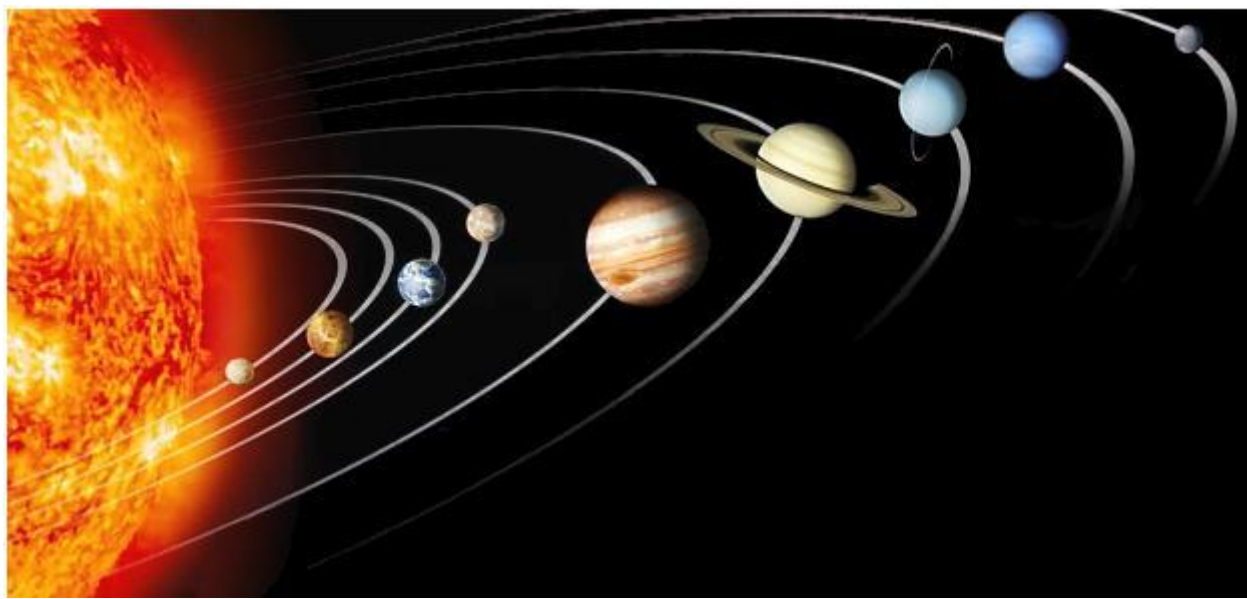

God's Ruler and Standard

As for man, visible light is a standard for man and can be trusted, never changing and is constant, **for God's house is house of order.**

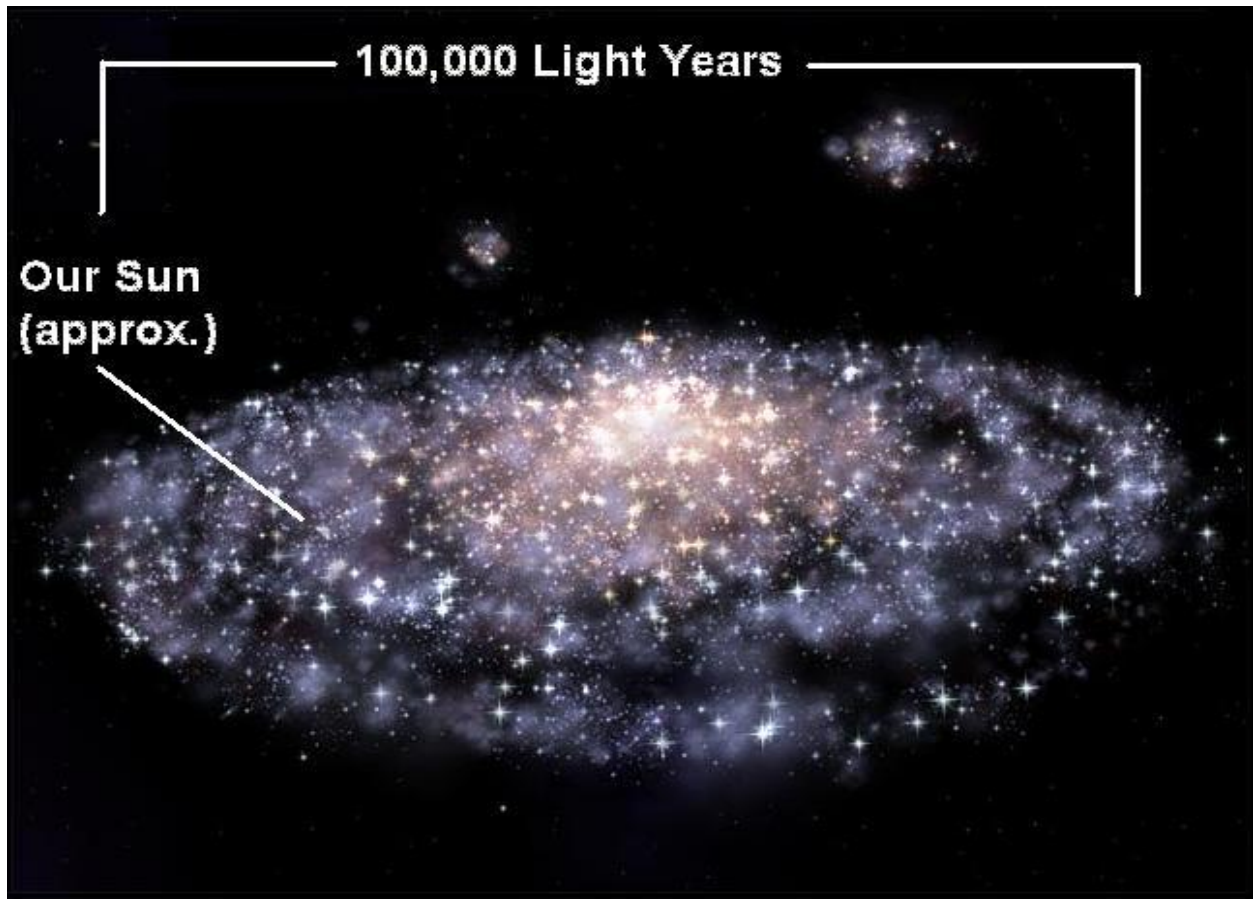

(Light is a Ruler or Standard used by God for Creating all things.)

(Our Solar System has order to it.)

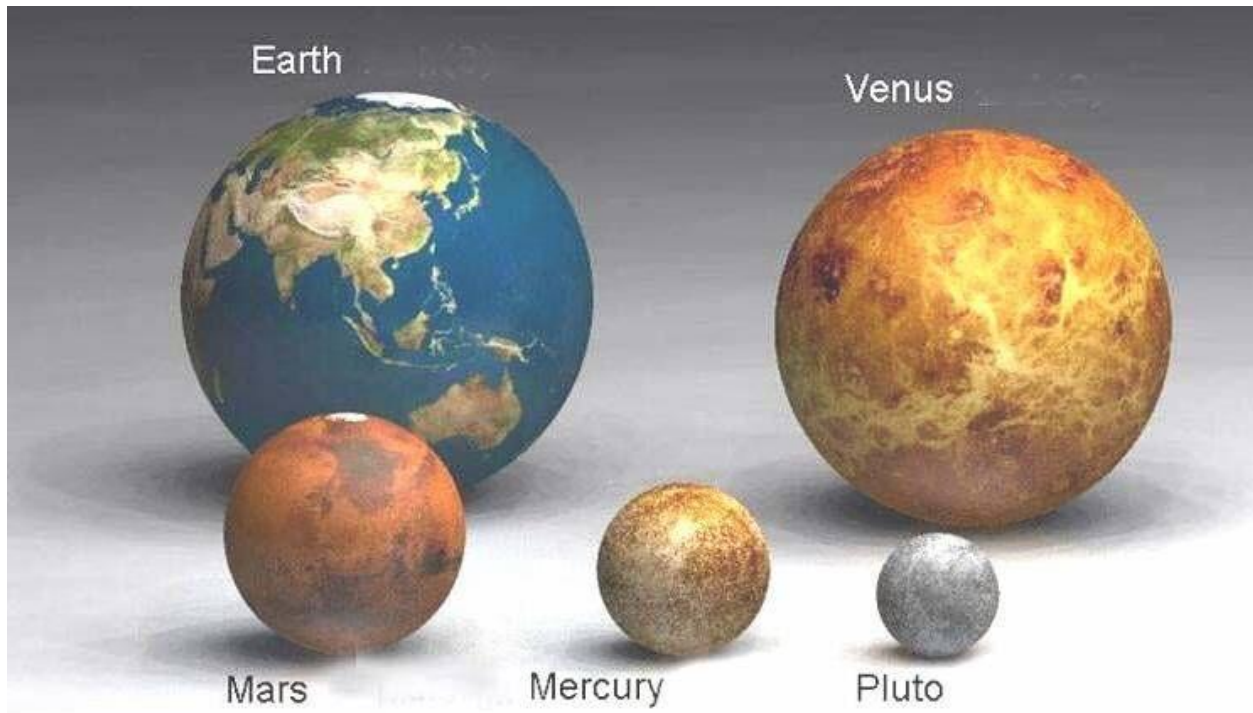

God's Ruler and Standard

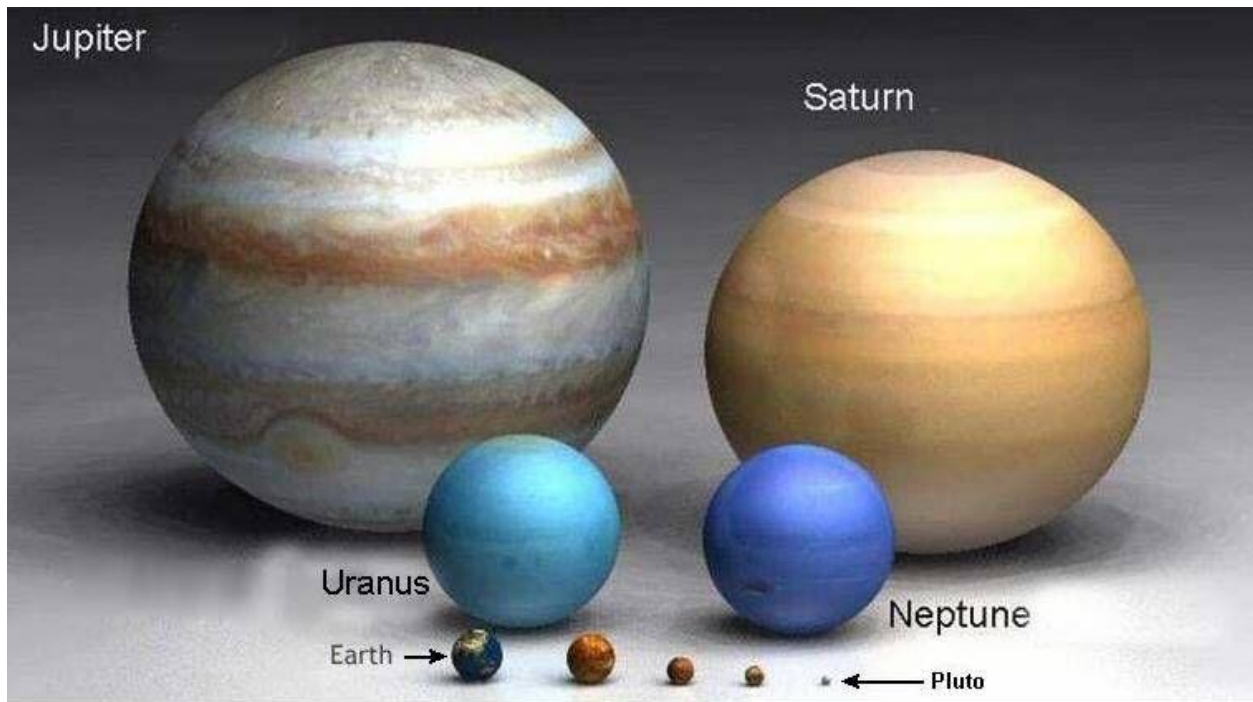

(Our Galaxy has order to it, billions of Suns and Earths.)

Light has dual meanings:

Darkness can not comprehend Light. The Darkness of space does not hold back the light. We see stars and lots of them with the naked eye. Make it darker around us, we can see more stars. With a telescope we can see many more stars. With a super big telescope we can see much more stars. With the Hubble telescope and Satellites we can see even much more stars, it is endless. The theory I have is that light penetrates darkness. Even in the future we develop bigger and better telescopes; we will see more stars which have been there all the time. (St. John 1:5)

(The wicked can not comprehend the Light of Jesus Christ, as sinners, as we study the scriptures, repent of our sins, and forsake them, then we come closer to the Light of Jesus Christ.)

(St. John 1:3. All things were made by him; and without him was not any thing made that was made.)

(Hebrews 1:2 Hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds;)

(Hebrews 11:3 Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.) (Framed means order, plans, created, blueprints, and etc.)

Another theory I have is that the Electromagnetic Spectrum has Radio, Microwave, Infrared, Visible, Ultraviolet, X-ray, and Gamma Ray, which are the one's we can measure, but I believe that there are types of spectrums out there, like **Gravitational** and **I believe many more we do not know of (time travel)**. Like the Lord talks about the past, present, and the future as a now time.

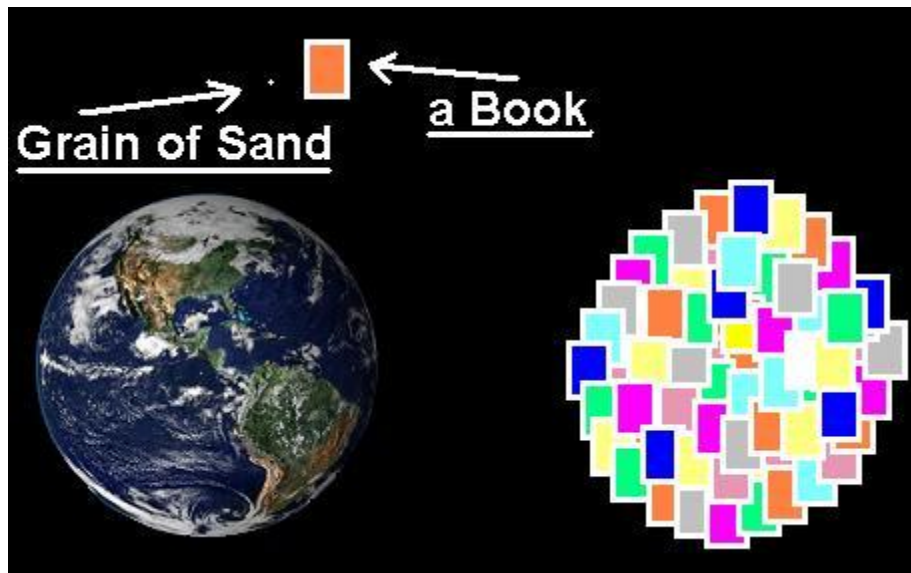

There are Electromagnetic fields above Visible Light and below, which means that there are slower than Visible Light and faster too. On the right paths of **Gravitational Currents**, which I believe is **many times faster than the Speed of Light**.

Matthew 13:35 That it might be fulfilled which was spoken by the prophet, saying, **I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world.**

John 1:10 He was in the world, and **the world was made by him**, and the world knew him not.

John 21:25 **And there are also many other things which Jesus did, the which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written.** Amen.

(The Earth has trillions times a trillions and so on of grains of sand on it, and if we had a book (or Bible) for each grain of sands on this Earth, the World could not contain all the books. For, Jesus Christ created all the other Worlds, Solar Systems, and Galaxies without end. And if each had a book for there creations, like our Earth, the Bible, for our World could not contain all the books that should be written.)

(In the Dead Sea Scrolls, Abraham, was told by the Lord, that there are more worlds then there are grains of sand upon the Earth, and each had an Adam & Eve, like our Adam & Eve, and each are sons and daughters of our Heavenly Father, and they populated those worlds. [I was told])

Acts 17:24 **God that made the world and all things therein**, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands;

Ephesians 3:9 **And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ:**

Ephesians 3:21 Unto him be glory in the church by Christ Jesus throughout all ages, **world[s] without end**. Amen.
